

# 3 Massive Mistakes YPO & WPO Members Make That Keep Them Tired, Gaining Weight, and At High Risk For A Heart Attack

*Does your health affect your productivity? Yes!*

## YOU'LL DISCOVER:

- The latest (and some surprising!) information on how you can get **MORE ENERGY** and maximize your health in today's hectic lifestyle, including why you should buy a tape measure and **THROW AWAY YOUR BATHROOM SCALE**.
- A brand new approach to preventing the #1 killer of CEO's: cardiovascular disease. . . information **EVEN YOUR DOCTOR DOESN'T KNOW**. *A bold statement, but David will share a totally new perspective that can save you and those you love from ever having a cardiac event in the first place.*

## PLUS, A VERY SPECIAL OPPORTUNITY:

- David is offering all attendees the chance to have a CIMT (carotid intima-media test). This **CUTTING-EDGE TECHNOLOGY**, a non-invasive ultra-sound of your neck arteries, sees cardiovascular disease **LONG BEFORE OTHER** more traditional tests can. *This is NOT the neck ultra-sound test you may have had before. It's well beyond anything offered anywhere else and now endorsed by the American Heart Association.*

“ You will be pleased to know the members rated your presentation the **HIGHEST OF ALL** the **EDUCATIONAL EVENTS IN THE ENTIRE YEAR.**”

*Steven Palmer, Atlantic Chapter, YPO*

“ A great event and wonderful kickoff to our year. Relevant, entertaining, and with the potential to save lives. I highly recommend David's program to other chapters.”

*Charles Vogel, Chicago WPO*

“ Your ratings were the highest given so far this year; **ALMOST HITTING A PERFECT "10."** We had one of the best turnouts we have seen in the last several years.” Kevin Kervick,

*Connecticut River Valley Chapter, YPO/WPO*
